3+0 BA (HONS) ACCOUNTING & FINANCE

In collaboration with University of Hertfordshire, UK

This programme introduces students to the study of Accounting and Finance. The practice of Accounting comprises Financial Accounting and Management Accounting. For Finance, students will develop essential skills and knowledge through modules like Principles of Corporate Finance, Advanced Corporate Finance and Financial Strategy.

Students will also develop the skills and knowledge required to become an Accountant in this programme. There are also local-context modules like Malaysian Company Law and Malaysian Taxation.

Highlights

- Exemptions from foundation examinations of the Chartered Institute of Management Accountants (CIMA) and Part 1 of the Association of Chartered Certified Accountants (ACCA). Further exemptions are available from second level papers subject to submission to the professional bodies and depending on the results obtained by students.
- A comprehensive learning experience with a mix of face-to-face and online support learning through Blackboard, with access to course materials, assignments and faculty members at any time.
- Exposure to real industry projects and practical learning experience via international faculty, overseas guest professors and live lecture conferencing.
- Opportunity for students to participate in the Semester Abroad Programme (SAP) and experience different cultures and environments, helping them expand their global perspectives.
- Industry-relevant modules such as SAP’s Enterprise Resources Planning module are included in the curriculum to be aligned with the Government’s effort to emphasise the training of skilled manpower. Multimedia Development Corporation (MDeC), the key implementing agency, has formed MyUniAlliance to upskill local professionals and upgrade undergraduates with an industry-relevant syllabus. INTI is part of the MyUniAlliance-SAP leg.

Career opportunities

- Organisational graduates may assume responsible, entry-level managerial positions in Government Ministries, Departments & Enforcement Agencies, Local Authorities, Accounting Firms, Corporations & Companies, Audit Firms, Banks, Securities Firms, Insurance Companies, Multimedia Telecommunication Companies, Marketing Agencies.
