This programme is developed to enable graduates from any discipline to acquire business management skills and knowledge that will help them develop their career in a highly competitive business environment.

**INTI MBA programme exposes learners – both with and without work experience, to simulated and real business problems and environments by applying project and problem-based learning approaches. This programme will allow our students to focus on building and developing their strength in leadership, collaboration and communication.**

Dr Jagdeep Singh,
Faculty of Business, Communication & Law,
INTI International University.

**INTI MBA is now extended to:**

Located at Menara KH, Jalan Sultan Ismail, in Malaysia’s capital city of Kuala Lumpur. Besides being ideally placed at the very heart of Kuala Lumpur’s Central Business District, we are surrounded on all sides by world-class shopping malls, tourist attractions, hotels and more.

Situated on beautiful parkland within the Bukit Jambul educational township on the Island of Penang. Penang is one of the most developed and economically important states in the country, as well as a thriving tourist destination.
